

ECOCLEAR
FREIGHT SOLUTIONS
Precision In Every Shipment

Company Profile

Introduction

Ecoclear Freight Solutions Private Limited is a wholly Zimbabwean company, officially incorporated in 2024 under the Companies Act [Chapter 24:03]. Since commencing operations in 2024, Ecoclear Freight Solutions has been dedicated to redefining standards in customs clearing and freight forwarding.

Objectives

The company's primary objective is to simplify the complexities of cargo movement and clearance for a diverse clientele, ranging from large multinational corporations to individual importers and exporters.

Vision

Ecoclear Freight Solutions aims to be the premier regional cargo forwarding agent, strategically positioned to serve the needs of both regional and international importers and exporters and to be the leading freight and logistics company in the world.

Mission Statement

Ecoclear Freight Solutions is committed to:
Guaranteeing quality service to all clients, from individual importers to multinational importers and exporters. Integrating efficiency and professionalism to ensure total client satisfaction. Building client relationships on a foundation of reliability and honesty. Ensuring that client-staff interactions are guided by sound professional business principles

Quality Policy

Ecoclear Freight Solutions recognizes the unique nature of each client and is committed to providing tailored services that meet their specific needs. The company's core principle is to adapt and mold its services to the distinct requirements of every client.

Motto

"Precision In Every Shipment"
